A Note from Your Teacher:

Hi Families, Happy Spring ☺ This month we will finish going through the alphabet and numbers 1-10. We will do some fun spring art and continue to practice finding our names. I will be teaching them about different insects and we will keep talking about the days of the week + months of the year. The children are all really playing together now + forming friendships - it is so much fun to watch. Share days will now be on Thursdays ☺
