

## 2024-2025 Extended Care Options

**Early Care:** Early Care is a drop-in program and can be used as needed with no reservation. You can drop your child off in the Early Care room anytime between **7:30 am and 8:45 am** on days that you need the extra care in the morning. The charge is **\$5.00 per ½ hour**.

### **Pre-enrolled Afternoon Care**

**Bear Care:** This program is a contracted service, and you must be enrolled a minimum of two days per week. It is billed with your regular preschool tuition each month. We have two pick-up options:

**12:00-4:00pm is \$30.00/day; 12:00pm-5:30pm is \$39.00/day.**

You need to send a lunch for your child to eat during this time. This program provides a structured afternoon with lunch, story time, playground, nap/rest, snack, learning centers, art, and indoor free play.

**\*There are no credits or refunds issued for this program for any reason. A two-week notice is required to change or drop days.**

### **Additional Prearranged Care**

We do have a drop-in option available for Bear Care if there is space available. The drop-in rate is \$39.00/day and will be billed on your following months tuition invoice. This is based on availability in the Bear Care program on the day requested.

**Extended Care** is also available at lunch 12:00-1:00pm @ \$10.00 per day and will be included on the following months tuition invoice.
