EMERGENCY PLAN

The Santa Ynez Valley Presbyterian Preschool wants to take every precaution to give your child the best possible care. Therefore, a disaster plan will go into effect if there is a fire, earthquake, flood, nuclear accident, explosion or chemical accident or spill.

Each child must have an emergency plan form on file at the school for staff information. Parents should keep information on these cards current. In case of disaster, your child will be kept at school or, if there is a need, be relocated on the grounds either in the multi-purpose room or the church sanctuary. If needed, Ballard School is our alternate site. Each child will be released only to the parent or emergency contact listed on the form. In case of medical emergency, the hospital or your physician will be contacted as well as the parent or emergency contact listed for the child.

The school director will contact all emergency agencies to insure your child has immediate help. All staff will focus on keeping each child calm, comforted and cared for until he/she is released to the parent.

I hereby grant permission for the Director or Acting Director to take whatever steps that may be necessary to obtain emergency medical if warranted. These steps may include, but are not limited to, the following:

1. Attempt to contact a parent or guardian.
2. Attempt to contact the child's physician.
3. Attempt to contact a parent through any of the persons listed on the emergency information for you provided.
4. If we cannot contact a parent or the child's physician, we will do any of the following:
 - a) Call another physician.
 - b) Call an ambulance.
 - c) Have your child taken to an emergency room in a hospital in the company of a staff member.
5. Any expense incurred under the above will be borne by the child's family.
